

## Press release

### **AERRL continues to expand by welcoming ELL as new member.**

**Incorporated in May 2021, the Association of European Rail Rolling Stock lessors (AERRL) has rapidly grown to include ELL among its 10 members.**

**Brussels, 11 September 2023** – ELL joins the Association of European Rail Rolling Stock Lessors from September 2023. Founded in 2013 as European Locomotive Leasing, the European Locomotive Leasing Group (ELL) is a new European lessor based at offices in Vienna and Munich. ELL is the 10<sup>th</sup> member of leasing companies joining AERRL to promote interoperable and safe European rail rolling stock by addressing technical, operational, economic, legal, and scientific issues and matters.

The penultimate arrival (in November 2022) was Nexrail, a European locomotive leasing company whose fleet of locomotives is dedicated to the mainline freight and shunting markets all over Europe.

Since AERRL was founded by Akiem, MRCE and Railpool in May 21, Northrail, Beacon Rail Finance, Cargounit, ELP, Renfe Alquiler, Nexrail and ELL successively joined the association.
